

# **FALL & WINTER IS HERE!!**

**This is the best time to prepare yourselves & your vehicle  
for the up coming cold season.**

**Fall & Winter inspection includes –  
All fluids (level, leaks & condition), windshield washer fluid  
& blades, battery, alternator & starter, tires, engine  
performance components (tune up), belts, hoses, lights,  
underbody, & brakes,**

**We will keep you from getting stuck in the cold.**
